This mare is booked specifically by name. The booking is valid to the mare named, and neither booking nor return privilege may be transferred without consent of the Stallion Manager.

All charges, including transportation, veterinary fees, board, and other necessities are to be paid monthly by the mare's owner. The Stallion Manager is authorized to incur on the owner's behalf all veterinary services and related fees thought to be necessary for the mare's welfare and successful breeding.

This mare is required to have had a negative Coggins Test within the preceding 1 year.

The service fee is payable when the mare is diagnosed pregnant or when the mare leaves the farm, which ever comes first. A return privilege for the following season is extended to mares that are pronounced barren after leaving Reedannland, give birth to a dead foal, or give birth to a foal that fails to stand and suckle. No return privilege on donated service fees.

Neither Reedannland nor it's members, agents, or employees shall be liable for injury, death, or disability suffered by the mare or foal at side from any cause whatsoever while in the custody of Reedannland, and the owner specifically assents to such condition and waives each and every claim for damages resulting from such injury, death, or disability.

The breeding season extends from March first to August first. Arrangements for any other breeding must be approved by the Stallion Manager.
